REVIVE: Listening
Parable of the Sower

WORD

Read [Luke 8:4-15](#)

What do these verses tell us about listening?

List all that you learn from the parable and how Jesus explains the 4 types of soil.
(Consider illustrating the 4 different types of soil and what happens to the seed)

How would you describe the condition of the soil of your own heart today?

What can you do to make your heart fertile soil ready to receive God's word and have it produce fruit?

PRAY

Use Ephesians 3:17 to pray for one another. "Lord, we ask that you make yourself at home in _____'s heart as he/she trusts in you. His/Her roots will grow down into your love and you will keep him/her strong." Pray by name for those you know who need protection from the enemy (on the footpath), who need to resist temptation, who need thorns removed so their roots can grow deep.

LOVE

Who might you bless this week with a potted plant or flower?
