**REVIVE**  
Listening: Simon

**WORD**

Read [Luke 5:1-11](#)

Use these 3 prayers formed in a question to guide your discussion around the passage in Luke 5.

Jesus, where have you been speaking to me?

Holy Spirit, what response are you forming in me?

Father, what promise covers my next step?

**PRAY**

Using the promises that were shared, ask God to cover the next steps that you want to take. Ask that you would have the same response as Simon in verse 5 ... "But if you say so ....".

**LOVE**

Who do you know that could use some extra listening? Will you give them the gift of listening to them?
