What do you discover about responsiveness in these verses (including Abraham's response to Isaac's question in verses 7-8.)

What do you think Isaac and Abraham learned about God and each other?

What is difficult for you to respond to?

What response is the Spirit forming in you? How do these verses encourage your response?

PRAY

Pray that God would give you the trust that Abraham had, and that He would help you hear and respond to His call. Pray for those you know who need direction, and/or courage to take the next step.

LOVE

In thanksgiving to God, what is one way you will share God's love and generosity with someone this week?
