Teaching: Last Will Be First

WORD

Read [Matthew 20:1-16](#)

Do any of the workers have a legitimate complaint? Why or why not?

Are there times where fun or joy are more important than fairness?

Read Matthew 19:23-30 to see the question that Jesus is responding to with the Parable of the Vineyard Workers in Matthew 20. What do you think Jesus is communicating with this story?

What are you most thankful for in this scripture?

PRAY

Pray for people who have been believers for a long time, for new believers, and for those who don't believe. Thank God for calling you to work, and for allowing you to belong, no matter how long you've been a follower of Jesus.

LOVE

Find a way this week to help someone feel like they belong.
