

RENEWED ESTIMATE OF GIVING

Today I make my pledge as a public expression of my gratefulness to God for His redemption and compassion. I declare together with my entire household that my/our financial health begins with the acknowledgement that everything I have is a gift AND trust from God. I consecrate my/our financial health with joy and thanksgiving. All for the glory of Jesus' name!!

Today I commit to giving \$ _____ per Week Month Year

This represents an increase over last year.

MY COMMITMENT IS MORE THAN A TENTH OF MY INCOME.

MY COMMITMENT IS A TITHE, A TENTH OF MY INCOME.

MY COMMITMENT IS NOT A TENTH OF MY INCOME BUT I
WOULD LIKE TO MOVE TOWARD THAT GOAL IN THE FUTURE.

Let's respond with courage, generosity, in anticipation of what God is going to do in us and through us this year. Our God is faithful! He is with us!

Imagine what's possible if just 100 of our active families tithed!

- Dane County median annual household income for 2021 - \$78500.
- 100 households giving 10% according to the median = 785,000
- Our 2023 Budgeted general Offering goal - \$612,000.
- If your household doesn't make \$78,500, what is 10% of what you do make?
- The Lord only asks us to give based on what we actually make.

Please join us, and let each one of our household WELLS be a part of the team that inspires creative generosity! Let's expand the hope and freedom we are experiencing with our neighbors, friends, and communities!
