

# Unexpected requests

MAY 2023

**This month we are diving into some**

## **UNEXPECTED REQUESTS.**

**Some are requests made of Jesus and some are requests God makes of us. When the request comes, will we try? When we need help, will we be bold to issue the request?**

**Join in the fun this May and try issuing some unexpected requests of your own.**

**What might God do?**

Invite a neighbor to join you on a walk or for smores over a firepit.

Ask your spouse/kids how you can pray for them.

Has someone been on your mind? Invite them to coffee.

Ask a neighbor for help with a house project/childcare/yard work/etc..

Ask a pastor how you can best encourage him.

Offer to pray with a friend who is struggling and/or hurting.

Ask a local school administrator if you can bring in treats for the staff.

Is there someone at church you don't know well? Invite them to lunch.

Invite someone to lifeGroup or into a 1:1 discipling relationship.

Ask a local business owner or city official to share his/her dreams for the community.

What requests  
will you boldly put  
before God? List them  
here. At the end of the  
month reflect on  
his response.
