WELL PREPARED: ENGAGES WITH NEIGHBORS Loved Beyond Boundaries: Upside Down

WORD

Read [Matthew 28:1-10, 18-20](#)

The resurrection turns the world **upside down**—the grave is empty, death is defeated, and love reigns victorious. What seemed like the end was only the beginning. The first witnesses were the least expected, the risen Jesus appeared to the broken and afraid, and His command was not to retreat but to **go beyond boundaries** and proclaim life to all nations. In the upside-down Kingdom of God, hope is born from despair, power is revealed in humility, and victory comes through surrender. Because He lives, we are sent to love beyond all limits, carrying the message of resurrection to a world desperate for new life.
