WELL Prepared: Engages With Neighbors
LOVING BEYOND BOUNDARIES: Without Fear

WORD

Read [1 John 4:18-21](#) and [2 Corinthians 9:6-8](#)

What connections do you make between these two separate readings?

What fears get in the way of you trusting God and walking in faith?

Share a time when you gave reluctantly or in response to pressure what was that experience like for you?

Share a time when you gave cheerfully - what was that experience like for you?

Do you have examples of when God generously provided for you?

PRAY

Ask God to remind us that our giving is not just about sustaining a church; it is about **participating in God's mission**, ensuring that His love flows freely into our neighborhoods and beyond. Because He first loved us, we can give boldly, trusting that His grace is always more than enough. Ask God to help us trust him and provide all that our ministry needs.

LOVE

Who is God asking you to love without fear? How will you trust him and show that love this week?
