The Tapestry: Crimson Threads
Risen Indeed

WORD

Read [Luke 24:1-49](#)

What did it take for people to believe that Jesus had risen? What about Jesus' resurrection is hard to believe today? What gets in the way of believing it?

What did people do once they believed?

What kinds of news are people excited to share with their friends today? What gets in the way of our excitement to share Jesus?

THE TAPESTRY - FOREVER

What does this scripture say about God's promises?

PRAY That your lives would be lived from the reality of Jesus' resurrection. Pray for those who don't yet know about Jesus, and pray for opportunities to share what God did for them through Jesus.

LOVE

Who can you share excitement with this week? Who can you share Jesus with? What is one step you'll take this week?
