The Tapestry: Gospel-Shaped Lives
Transformed and Sent

WORD

Read [Romans 12:1-8](#)

In what ways are you tempted to be conformed to the ways of the world?

How can you practically be transformed by the renewing of your mind?

How do these verses expand your understanding and definition of worship (outside of Sunday morning) – consider reading the verses especially 1-3 in the MSG.

What needs to change about the way you think? (about yourself, or others)

THE TAPESTRY

What does this scripture teach us about living life as a Jesus follower?

PRAY

Thank God that he doesn't just improve our old lives but gives us a brand new life. Thank the Holy Spirit for renewing your mind. Ask God to help you offer your whole self to him and not hold anything back. Pray for those people in your life who are disconnected from life in Jesus and that God would draw them close to him.

LOVE

Because of God's mercy, this week I will offer _____ to Him as an act of worship.
