The Tapestry: Gospel-Shaped Lives
Ambassadors of Reconciliation

WORD

Read [2 Corinthians 5:14-21](#)

How does being "a new person" shape the way we relate to other people? (v. 17) Why might that have been personally significant for Paul?

Is there someone you find difficult to see as a new person (the way Christ sees them)? What makes that challenging?

How can our small group become a place where reconciliation is practiced instead of just discussed?

THE TAPESTRY

What does this scripture teach us about living life as a Jesus follower?

PRAY

Thank God that he doesn't just give us another chance to get it right, but that He makes us new people every day. Ask God to help you let go of the grudges and differences you have with people, and to forgive where you have been withholding. Ask Him to help you live as an Ambassador of Reconciliation.

LOVE

This week I will bring forgiveness, hope, or peace to my relationship with _____ as an act of worship.
